Dear Parents/Carers

Following on from the school newsletter sent out by e-mail on Friday 6th September 2019, I wish to retract the section about the change in our school start and finish times with immediate effect.

This is as a result of having received some very clear and well-reasoned feedback from parents about the potential problems and pitfalls that an earlier finish time could create.

I would like to apologise for the haste of my decision-making to publish this decision in such a relatively short space of time and for any consternation this may have caused.

Moving forward, I would still be interested in reviewing the start time for children coming into school each morning at 8.50am. This would enable lessons to start promptly at 9am. However, I will consult the parent/carer population fully prior to any decisions being made.

Yours sincerely

Dan Brearey
