Bridstow CE Primary School PTFA Newsletter

WELCOME

Welcome back to you all and a special welcome to all the new families who have joined us at Bridstow School this September.

YOUR PTFA NEEDS YOU!!!

As you may know our recent AGM (Annual General Meeting) could not go ahead because we did not have the required number of people to hold the meeting. At the AGM the committee must stand down, and a new committee elected or re-elected. Without this meeting the PTFA cannot continue.

So we must get some more support if we are to keep benefiting the children. We have recently shared an online survey, (only 3 questions) to help us find the best way to get your support. It outlines, what you would be willing to help with, if you want us to carry on, and what time you would be able to attend a meeting. Please fill it out if you have not already.

We have set a new date for the AGM of Monday 6th November at 2pm in school. This could change depending on the responses we get from the survey, or we could change future meeting times.

What does the PTFA do?

The PTFA stands for Parent, Teacher and Friends Association. Our aim is to help the school provide the best experience for the children. We do this by:

- Providing closer links between home and school.
- Helping support the children and teachers in raising money to provide extra resources. Including updating the Library and the soon to be built Outdoor Learning Structure.
- Helping the children run the school tuck shop.
- Organising the Christmas Fayre and the Summer Fayre.
- Helping with the Christmas lunch.
- Helping with the Leavers' Disco and the New Year Disco.
- Subsidising the cost of coaches and trips.
- Funding end of year fun days, such as 'Wildplay', pottery, Batiking etc.
