

## Attendance Policy

### 1 Introduction

1.1 Brampton Abbots & Bridstow CE Primary Schools (otherwise referred to as 'the schools') expect all children on roll to attend every day, when the schools are in session, as long as they are fit and healthy enough to do so. We do all we can to encourage the children to attend, and to put in place appropriate procedures. We believe that the most important factor in promoting good attendance is the development of positive attitudes towards school. To this end, we strive to make our schools a happy and rewarding experience for all children. We will reward those children whose attendance is very good. We will also make the best provision we can for those children who, for whatever reason, are prevented from coming to school.

1.2 Under the Education (Pupil Registration) Regulations 1995, the governing body are responsible for making sure the school keeps an attendance register that records which pupils are present at the start of both the morning and the afternoon sessions of the school day. This register will also indicate whether an absence is authorised or unauthorised.

1.3 For a child to reach their full educational achievement a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance. (The home/school agreement can be used in this way) We aim to provide sensitive and appropriate guidance to parents concerning pupil attendance, taking into account guidance from the Department for Education (DfE) and the Local Authority.

### 2 Definitions

#### 2.1 Authorised absence

- An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent or guardian. For example, if a child has been unwell, the parent writes a note or telephones the school to explain the absence.
- Only the school can make an absence authorised. Parents and carers do not have this authority. Consequently, not all absences supported by parents and carers will be classified as authorised. For example, if a parent takes a child out of school to go shopping during school hours, this will not mean it is an authorised absence.

#### 2.2 Unauthorised absence

- An absence is classified as unauthorised when a child is away from school without the permission of the school.
- The absence is unauthorised if a child is away from school without good reason, even with the support of a parent.

### 3 If a child is absent

3.1 If a pupil is unfit for school, parents are asked to contact the school on each day of absence by 9.30am. If a pupil is absent at morning registration and the school has not received an explanation by the close of registration the office is informed and our office staff may contact the parent/carer as a matter of concern. Parents should provide a note explaining the reason for absence on the child's return to school. Where absences are not explained that will be considered unauthorised.

3.2 A note may be sent to the school prior to the day of absence (e.g. if a child has an unavoidable medical appointment). We expect, wherever possible, that medical appointments are made outside of school time.

3.3 If there is any doubt about the whereabouts of a child, the class teacher will take immediate action by notifying the school office. The school will then be in contact with the parent or guardian, in order to check on the safety of the child.

#### 3.4 Punctuality

Pupils are expected to arrive at school by 8.50am (Brampton Abbots) and 8.55am (Bridstow) each day. Arrival after this time will be recorded as a late (L). Registers close at 9.20am; any pupil arriving after this time will be recorded as late after registration (U) which is considered an unauthorised absence.

### 4 Planned and Unplanned Absences

4.1 There is overwhelming evidence that a high level of consistent school attendance is essential if children are to reach their full educational potential and achieve their targets.

4.2 The schools aim is for all children to be in attendance for all of the 190 school days in the year. It is expected nationally that primary school age children will have an attendance of at least 96%, after allowing for illness, (this equals to 180 school days) and as schools we aspire to achieve or better this. Children whose attendance drops below the 96% level fall into the 'worrying' category and are less likely to achieve their full educational potential. We have rigorous procedures for monitoring attendance and poor attendance is never ignored.

#### 4.3 Term time leave

In line with Government and Herefordshire Local Authority policy, planned leave during term time are actively discouraged by both schools. The Headteacher is only permitted to authorise leave during term time in exceptional circumstances.

4.4 Leave may only be granted only if the proper procedures have been followed:

- Applications for 'Planned Absences' should be made at least six weeks before the date required
- A Leave of Absence Request Form (available from the school office) must be fully completed, explaining clearly why any absence during term time is necessary. The school office will provide assistance with the form if necessary.
- Leave will not be granted retrospectively

4.5 If leave is taken after the school has refused authorisation, the absence will be recorded as unauthorised (code G). After 5 days (10 unauthorised sessions) Herefordshire Local Authority will be notified who will issue a Penalty Notice per parent per child of £60 if paid within 21 days or £120 if paid within 28 days (see appendix 2 for Local Authority code of conduct).

### 5 Rewards for good attendance

5.1 All the children who have at least 95 per cent attendance in any one term will receive an excellence certificate for attendance, awarded at the last assembly of the term. 100% attenders will also be recognised.

### 6. Show Families

6.1 Staff at school are very aware of the needs of our show families, who have a traditional way of life that means that they travel around the country at different times of year. These children will be catered for by ensuring that provision is made for either offsite learning (school provided work packs, use of ICT and liaison with LA support services) or dual registration when children are not attending school. Children will be kept on roll, with SIMs codes (B – Educated Off site, D – Dual registration and T – traveller absence being used where appropriate).

**7 Monitoring and review**

7.1 Class teachers will be responsible for monitoring attendance in their class, and for following up absences in the appropriate way. If there is concern about a child's absence, they will contact the school office. If there is a longer-term general worry about the attendance of a particular child, this will be reported to the Headteacher, who will contact the parents or guardians.

7.2 Where an individual has high levels of absence for illness the school will ask for medical evidence to authorise absences.

7.3 This policy will be reviewed by the governing body every two years, or earlier if considered necessary.

**Appendix 2:  
School Procedures**

These are the strategies that the schools use to monitor and improve attendance, and to keep parents informed of their child's attendance.

1. Reporting absence – all parents/carers are asked to notify school on each day of absence, and are encouraged to keep school informed about re-attendance for the period of the absence. This can be done in person, by telephone (using option 1 'absence message system' at Brampton Abbots) or in a written note to the school office or via the child's class teacher.
2. First day calling – we call parents/ carers on the morning of first absence if we have not received a reason for absence.
3. Monitor attendance – the Headteacher will monitor school attendance on a weekly basis. They will ensure that attendance figures are in line with school targets set with the Education Welfare Officer.

At all times, parents will be kept informed of concerns regarding attendance, and will be given every opportunity to receive help and support with regards to getting their child to school. Where an individual is regularly absent due to illness the school will request medical evidence to authorise absences.

Every child's attendance will be reported on twice in the academic year.
