Class and Leavers Photos

Next Monday morning the photographer will be in to take photographs of the classes and Year 6 leavers. Please make sure that children come to school wearing their full school uniform. As usual, samples of the photos will be sent home so that you can decide if you wish to buy copies.

Medications

It is essential that any medications that children need to use in school including creams (not sun cream) must be handed in to a member of staff and a medicines consent form must be completed please.

Head Lice and Nits

We are aware that there are signs of head lice and nits in school so please can you check child's heads and treat as necessary. Recommended methods and treatments can be found on the NHS website [here](#).

Here is a summary:

There is nothing you can do to prevent head lice.

You can help stop them spreading by wet or dry combing regularly to catch them early.

Do not use medicated lotions and sprays to prevent head lice. They can irritate the scalp.

There is no need for children to stay off school or to wash laundry on a hot wash.

Minibus Charges

As previously advised in the last newsletter, the cost of the daily journey, each way will be increased to £1.25 from after half term. Unfortunately, this is unavoidable, due to the recent increase cost of fuel.
