Year 6 Leavers' Service 'am' TBC
- **Wednesday 20th**
Last Day – 2pm finish and pick up time

Online Calendar

The school online calendar can be found on the school website.

The Summer Term

Welcome back to the final half term of the year. I am pleased to be announcing a number of events in the upcoming few weeks that have been sadly missing from communications in the past few years. Sports Day is back (see details below) and also our annual Key Stage 2 production with parents and carers being able to come and watch in person (details below). With only 5 weeks remaining of the school year, there will be a lot to fit in. Enjoy the rest of the summer term – Mr Brearey

Sports Day

We have scheduled Sports Day for the afternoon of **Monday 18th July from 1.15pm** until the end of the day. Parents and carers are all invited to watch proceedings in the outdoor seating areas provided.

On the day, we ask that all children come in normal summer outdoor sports kit. Please ensure that children have a sun hat and an extra drink for the day in case the weather is very hot. Shade will be provided for all the children.

Key Stage 2 Productions

This year's production is entitled: '**Star Warts. The Umpire Strikes Back**'. Performances are scheduled for the following dates and times:

- Monday 11th July – Afternoon performance at 1.30pm
- Tuesday 12th July – Evening performance at 6pm
- Thursday 14th July – Evening performance at 6pm

Science Week – Theme: Deep Space

Next week, Bridstow School will be having their annual Science Week. The theme for the week is 'Deep Space'. We are launching the week with a special assembly on Monday morning. Please talk to your child about the week and encourage them about the theme of space.

Final Day of Term

School finishes at **2pm on Wednesday 20th July**. Please arrange to collect your child/ren early on this day. NB Bridstow Busy Bees after school care will **not** be held on this day.

Sun Awareness

Please ensure your child stays safe in the sun with an application of a once-a-day sunscreen on their faces, necks and arms before they come to school on days when the forecast looks bright. If children do bring sun cream into school to put on then please can you show them how to put it on themselves and make sure that the bottle/applicator has their name clearly marked on it (pump action sprays are the easiest and least messy).

Text System Replies

Please be aware that our current text to parents system is not set up to receive replies from parents. If you need to follow up any texts received from school, please either ring or email admin or individual teachers.

Hall Floor refurbishment

Thank you for your patience about lunchtime changes. This was to enable the hall floor to be stripped back and resealed.

Class Organisation for 2022-23 Academic Year

Following on from letters issued to parents/carers of our current Y2 & Y3 pupils on 26th May, please see below an overview of how we will be organising year groups from September 2022 for the year:

2022-23 Class	Year groups	Main staff
Hedgehog Class	Reception and Year 1	Mrs Wallin & Mr Thorne
Squirrel Class	Year 2 and Year 3	Mr Pullen & Mrs Wright
Otter Class	Year 4	Miss Owen & Mrs Harding
Badger Class	Year 5 and Year 6	Mrs Shuck & Mrs Turner
