Last Day early finish at 2pm

SEPTEMBER

- **Monday 6th**
All Pupils return to school
NB New Reception Intake staggered start for first 2 weeks

Our Value for
June is:
RESPONSIBILITY

Welcome Back!

We are yet to see if lock-down measures in schools are set to change in any way before the end of the term, but I anticipate that very little will change in enough time for us to make extensive plans for larger scale public events. To this end, I have made the decision to limit the social mixing of adults on school grounds until the end of term. Details below of upcoming events and how we plan to share them:

Sports Day

This will be held 'in-house' with some of the race photos being shared via Facebook so that parents and carers can share in some of the action!

Key Stage 2 Summer Production

We will be filming this year's production. We hope that there will be an opportunity to share the premier in a slightly more public way – watch this space for more details as and when guidance becomes clear.

'Other' Events

The School (with the help of the PTFA) are planning a few 'bubble specific' outdoor events before the end of term that will take place both during the school day and possibly after school so that our children can celebrate the end of the school year in some way. Watch this space for more details.

Reports

Teachers have been busy writing annual reports recently. We hope to have final reports sent out to parents and carers by the middle of this half term. This will give you the opportunity to read the reports and, if you should so wish, have a follow up meeting with the class teacher/s to discuss any aspects in more detail.

Whole School Photos – Monday 14th June

Tempest Photography will be in on Monday to take photographs of each class, as a whole (not individually), and individual photos of our Year 6 Leavers. **Please can ALL classes wear normal school uniform on Monday 14th June.**

On this day, Hedgehog Class will need to bring a separate bag in for outdoor learning clothes and Otter Class will need to bring in separate PE kits – if they do not already have a kit in school.

Whole School Transition

On Thursday 8th July, the whole school will have their transition session when they will visit their new classes. Following this, children will be bringing home a welcome note from their new teacher – this will let you know which class they will be 'moving-on' to – if you do not already know. Please rest assured we spend a lot of time

debating the best setting for each and every child so that their social and learning needs can best be met.

Sun Awareness

Please ensure your child stays safe in the sun with an application of a once-a-day sun screen on children's faces, necks and arms before they come to school on days when the forecast looks bright. If children do bring sun cream into school to put on then please can you show them how to put it on themselves and make sure that the bottle/applicator (pump action sprays are the easiest and least messy) has got their name clearly marked on it, thanks.

Minibus

We are always looking out for more sponsorship. Should you be interested in sponsoring the bus (with your business logo / number to be displayed on the bus) please contact Mr Brearey on head@bridstow.hereford.sch.uk for more details.

Adriano's Soccer School – Summer Holiday Club

Adriano, one of our school sports coaches, will be running his ever popular Soccer School over the Summer break, 3 days per week for the whole summer. These are based in Hereford, but are very affordable. If you are interested and would like more details and how to book a place, please follow the link to Adriano's Facebook page: <https://www.facebook.com/AdrianoSoccerSchoolsOfficial>
