Easter Holiday Activity

The PTFA are exploring the idea of running an Easter-themed "odd objects in shop windows" hunt around Ross Town Centre during the Easter holidays (9th – 25th April).

To take part in the hunt, we'll be asking for a small donation in return for a hunt form, which you'll be able to collect from school before the holidays start.

We're also hatching a plan for some more egg-citing activities in school prior to the holiday. More details will follow closer to the time.

Searching for a Minibus

The school are now on the lookout for a 17-seater minibus to replace our current well-used vehicle.

Please get in touch if you know where we could find a bargain or could suggest any fundraising ideas to help with the purchase.

Its only ten months to Christmas

In December 2021, Bridstow pupils visited Clearwell Caves to see Santa. The PTFA were pleased to able to support the event by covering the costs of transport.

Following positive feedback, a return trip is planned in 2022 and the PTFA will once again look to cover transport costs.

The more the merrier!

This year we've welcomed several new members to the PTFA but there's always room for more. If you would like to find out about how we support the school and get involved, please get in touch.

Uniform Recycling

When your children grow out of their uniform, please consider donating items to the school's second-hand stock. These can then be reused by other members of the school community and any donations received in exchange will be put to good use.
