### 1. INTRODUCTION

One of the keystones of a successful school is sound financial management. This policy intends to provide a framework within which limited resources can be allocated and controlled in a manner which will provide optimum educational benefit to current and future pupils of the school.

The school must ensure that financial arrangements comply with the current financial regulations, standing orders and schemes of delegation issued by the Local Authority (“LA”). The updated scheme of delegation from the LA will be formally adopted and approved by the Finance and Resources (“F&R”) Committee. A copy of this document is kept in the School Office and is available to all staff and governors. LA accounting guidelines will be followed.

The Governing Body (“GB”) is responsible for selecting and maintaining appropriate systems for the management and accountability of the delegated budget, the school fund and the governors’ accounts. Resources are targeted to maintain and improve the quality of education provided. The GB will seek to inform all stakeholders about the allocation and use of resources in an appropriate format.

The GB and Headteacher will maintain a School Development Plan which will help inform the preparation of annual budgets. Appropriate systems are maintained to monitor and evaluate financial activity.

Monitoring expenditure of the delegated budget is carried out by the F&R Committee on a half-termly basis. The statement of accounts is presented to the GB for approval. The accounts are audited in line with LA policy.

### AIMS

- To achieve value for money for all expenditure
- To ensure the budget is sufficiently balanced to provide optimum staffing levels, supplies and property costs whilst maintaining a reasonable surplus to cover unforeseen expenditure and long-term planning

- To ensure that responsibilities for financial management are clearly defined and establish internal financial controls
- To consider exposure to risk and insure appropriately
- To ensure that legal and audit requirements are adhered to
- To ensure that property and stock are appropriately controlled and safeguarded
- To ensure that the LA scheme of delegation is adhered to

### **3. BUDGET PLANNING**

#### **3.1 Delegated Budget**

Under the LA's regulations the school is required to prepare a budget expenditure plan, including a costed staffing plan for the financial year in a prescribed form. The budget preparation is conducted by the Headteacher. The plan follows the format and guidelines issued by the LMS and Finance Section of Herefordshire Council using the HCSS budgeting portal (or any LA successive package), formatted to mirror the structures of Consistent Financial Reporting (CFR). A draft budget is analysed by the F&R Committee before submission to the GB for approval.

To assist in the preparation of the budget the following information is used:

- LA formula allocation for income, based on projected pupil numbers
- Teacher costings projection worksheets
- Non teacher costings projected worksheets
- Historical data on income and expenditure trends
- Benchmarking information
- Developments resulting from the School Development Plan
- Pupil Premium ("PP")

Pupil premium funding is utilised solely for the benefit of the pupils identified as eligible in the spring term school census under the categories of Looked After Children, Free School Meal Children, Free

School Meal Ever 6 children and Forces children. The expenditure is fully accountable for audit purposes.

Funding is received based on census data. However, any PP child who joins the school in an in-year transfer and is not included in the latest census data will have PP funding allocated from the main school budget.

The budget is approved by the GB in May each year. Details of approved budgets are forwarded to the LA by 1<sup>st</sup> June with any subsequent budget changes forwarded during the financial year.

**Carry forward of savings/deficit**

The Governors approve an annual budget for the LA funds based on a break even. Any carry forward of surplus is to be within the amount permitted by the LA, if a restriction is placed. The F&R Committee regularly monitors the potential under/overspend and adjusts the annual plan where necessary and/or possible.

**3.2 Capital Budget**

3.2.1 For capital works the F&R Committee meet a minimum of once termly to review works completed and discuss future projects. Proposals for capital expenditure are referred to the diocese and / or the LA in accordance with instructions laid out in the ‘Blue Book’.

The protocol for managing Devolved Funding Capital (DFC) grant is covered in Section 14.

3.2.2 Capital Works involving the structure of the building or which require supervision or project management will require the early involvement of consultants. Detailed specifications must be prepared to ensure comparable quotations.

3.2.3 Capital project authorisation levels

Quotes from Diocesan approved contractors will be obtained subject to the authorisation limits in the table below. The lowest quotation will be accepted except when circumstances dictate otherwise (for example, a single contractor taking on a whole project rather than lots of different contractors doing small subcontracts). Any capital project exceeding £10,000 must be approved by the GB.

It will be a condition of any contract that final payment will not be made before the works are signed off by the supervising consultant and by at least two members of the F&R committee.

Total	Requirements	Responsibility
£2,000- £5,000	Two written quotations	HT, DHT, ScAd
£5,001 - £25,000	Three written quotations	HT, DHT
£25,001 - £50,000	Three written quotations	F&R Committee for recommendation to GB.
Over £50,000	Retained Project designer will be asked to co-ordinate tendering on behalf of School.	F&R Committee for recommendation to GB.

CFR income and expenditure reports are produced monthly and analysed.

### 3.3.2 Production of Reports

The F&R Committee meets a minimum of once a term and receives reports from the Headteacher, drawing on data from Hoople and CFR.

Accounts produced for the School Fund and other subsidiary school funds are reviewed annually by the F&R Committee after inspection/auditing.

## 4. PURCHASING and TENDERING

The school will always consider price, quality and fitness for purpose when purchasing goods or services. The school procedure for routine purchasing is to place orders with suppliers providing best value for money, using Herefordshire Council's approved list of contractors when appropriate and CIS requirements.

### 4.1 Orders for Goods and Services

The purpose of placing orders is to ensure that the acquisition of goods and services is made in accordance with the approved annual budget plan and to reduce the risk of fraud.

All orders are approved by the Headteacher or Deputy Headteacher, in accordance with the set financial authority limits of £10,000 for each transaction. All orders to be overseen by the Headteacher to ensure adequate funds are available within the budget. Official orders should be used for all goods and services. Where urgency requires a verbal order, this should be confirmed by a written order.

The GB will review and approve changes to the Authorised Signatories and Financial Limits on an annual basis.

- Two quotations will be sought for goods and services £1000 - £5000
- Three written quotations (ex VAT & fees) will be sought for any contract with a value exceeding £5,000.

#### **5. INCOME**

This section deals with income received by the school into the LA Budget, income relating to school fund is described in the relevant section. Income received is recorded using Agresso for LA budget. A manual system operates for School Fund. Methods of cash receipt are detailed below.

##### **5.1 Income Received Directly from the LA**

5.1.1 Formula based income. The resource allocation formula determined by the LA is calculated according to pupils on roll. Funding is based on data relating to pupil numbers, ages, special educational needs, and disadvantaged pupils.

5.1.2 Federation income. Bridstow school's share of Headteacher costs will be paid direct into the Brampton Abbots revenue account. The proportion of costs due from Bridstow is determined by the GB.

5.1.3 Miscellaneous Funds (including pupil premium) - grants may be made payable to the school for the raising of standards in education and may be general or more specific and ring fenced, and spending will need to match the development plan on which the funding was approved.

## 5.2 Other Income

5.2.1 Charges to Parents. The school asks parents for a voluntary contribution towards extra-curricular activities. Some support is available to those in receipt of published benefits (parents receive revised data each academic year), application forms are available from the ScAd. The ScAd records all receipts. An official Council receipt is completed.

- (a) Music lessons are provided by peripatetic music teachers who are accredited by Encore (the Herefordshire Music Service). The teachers charge pupils directly for the lessons. The Office Manager monitors the charges made by the teachers to ensure that they are in line with expectations. Pupils may hire instruments directly from Encore.
- (b) Voluntary contributions for school trips, swimming etc. are received by the School secretaries. School uses the Parent Pay/School Money system to collect contributions as well as accepting cash payments. All income is recorded on class lists with the amount received recorded against the child's name. The School secretaries record all income and information is entered onto Aggresso by the ScAd.
- (c) Herefordshire Council receipts are issued for cash income more than £15. The Parent Pay/School Money System transfers income directly into the school bank account. For cash, an official bank paying in sheet is completed which is stamped by the bank/post office.
- (d) School Lunches – School uses the Parent Pay/School Money system to collect dinner money from parents as well as accepting cash payments. The Parent Pay/School Money system pays the income directly into the school bank account and the cash is banked under the usual banking arrangements, as for trips etc. All lunch orders are recorded on Excel against each child's name on a weekly basis. School orders the required meals from AIP on a weekly basis. AIP invoice the school for the cost of free school meals and paid meals.
- (e) Milk - Milk is provided free to pupils under the age of 5. Pupils in Reception reaching age 5 may continue to have milk at a subsidised rate, paid for by parents. School milk is also provided free to those pupils in receipt of benefits assessed free school meals who request it. The school uses a company called Cool Milk to administer milk purchases directly with parents.
- (f) Sundry sales to pupils – small amounts of cash are collected for sales of items such as jumpers, hats, and bottles. These are managed through the School fund.
- (g) After School Clubs – Some after school clubs may be charged pro rata per session per club. Pupil Premium pupils are exempt from this charge. Receipts are paid directly.

5.2.2 Nursery Rent – This will be deposited into the Brampton Abbots Governors' Number 2 account and an agreed figure (covering costs of heating and lighting that the nursery use) will be paid into the Brampton Abbots school's revenue account.

5.2.3 School Lettings - the school's facilities are used by community groups outside normal school teaching time and produce income. The GB have approved a Lettings Policy. The master copy is held in the School Office. The GB will ask a responsible person to manage the lettings diary (school administrator), and s/he will give the school GB treasurer details of lettings invoices. The rates of hire are determined by the GB ensuring heating, lighting and caretaker costs are covered. The administrator checks invoices have been raised, and income has been received. The process is managed using Council approved lettings application forms signed by both the hirer and an authorised signatory in school. Invoices are raised by the administrator or GB treasurer and income

is currently paid into the school Governors' No2 Account (Brampton Abbots) or the school's revenue account (Bridstow).

5.2.4 Sundry grants and donations received from external organisations.

All such income is invoiced, official receipts are issued, and income is manually reconciled monthly.

5.2.5 Debt recovery arrangements - for non-payment of charges such as music and lettings, the ScAd writes reminders to individuals after 30 days of the invoice. After a further 30 days if the debt is still unpaid, the Council is contacted and will raise a Council invoice and debt recovered through their debt recovery system.

5.2.6 Private use of telephone, as approved by the Headteacher, is not currently recovered. Unapproved private use of these facilities is not permitted.

All deliveries arrive at the main school reception. Goods are recorded by the ScAd and are distributed directly to the classes. Once checked, delivery notes are held by the ScAd.

Each classroom holds a stock of stationery and resource materials. Allocation of books to pupils is monitored by the class teacher. Micro Learning resources are not listed on the general school inventory.

### **10.1.2 Stocks - administration**

Stationery stocks are held in the Storeroom for administration and senior management staff. Reprographics stationery is managed by the ScAd and stored in an appropriate place.

### **10.1.3 Stocks - cleaning**

Deliveries are checked and taken into stock by the Cleaner and stored in locked cleaners' cupboards. No inventory of cleaning materials is kept; cleaning equipment is recorded on both the school inventory and the annual Portable Appliance Testing schedule.

School inventories record items of material value for the following purposes:

- To prove ownership of items in the event of an insurance claim against loss
- To promote good custodianship of departmental resources.

### **10.2.1 General Inventory**

Record keeping of assets was originally produced by performing an initial stock check of all items in school to establish an inventory register. This is kept on an Excel spreadsheet which can provide a printout of all assets held in each room together with the relevant responsible person. The inventory is held securely, by the ScAd. A copy is held by the room holder and disposals and new acquisitions are recorded. Amendments are reported to the ScAd on a termly basis. An asset check/statement will be produced annually and cross-referenced, where applicable to the Portable Appliance Testing (PAT) schedule. The general inventory is stored on the school's computer server and backed up daily on memory stick held securely by the ScAd. An annual stock check will be carried out at the beginning of each Autumn Term.

### **10.2.2 ICT Inventory**

This is maintained by the school network provider in liaison with the ScAd on an Excel spreadsheet. Acquisitions and disposals are recorded on the inventory and reported to the ScAd. Data is stored in the School Office.

There is a requirement for an annual stock check by an independent person for both the general and ICT inventory. The Disposal of Assets policy provides protocols for the disposal of school assets.

## **11. SECURITY**

The Headteacher holds responsibility for the security of the building and its contents. The responsibility is shared with several personnel who act as keyholders. The detailed list of keyholders is held by the local police authority, the LA auditors, and the organisations responsible for maintaining alarm systems.

### **11.1 Buildings**

The nominated keyholders are the Headteacher, Deputy Headteacher and Chair of Governors. Access is gained using a security code, which is changed regularly.

All have a code to activate or deactivate the alarm system maintained by local provider. Out of school hours, the alarm system is monitored by a custodian service who will contact a keyholder and the police in the event of an alarm activation. In the event of a false alarm an abort procedure is known to the keyholders. Police attendance cannot be guaranteed; therefore, staff should not enter the building in an alarm situation until assistance has arrived. The buildings are normally opened and secured by the Headteacher

### **11.2 Cash**

Cash receipts awaiting banking for school trips, music, milk, coat sales and other miscellaneous income are held in a locked filing cabinet in the school office. The keys are kept offsite by the administration staff. The maximum amount of cash kept securely in the office at any time is £1000.

### **11.3 Data**

All data, including finance and pupil information is backed up daily to a cloud-based storage area.

### **11.4 Retention of Financial Records**

All current year and preceding year financial records are retained and filed in the Finance Office. Previous years' records are stored securely and accessible to finance staff only. The following records are retained for 6 years (in addition to current year) before they are destroyed:

- Budget files
- Orders and requisition
- Delivery documentation
- Invoices
- Bank account records
- Cashbooks
- Debtors' records

- Budget monitoring tabulations
- Lettings' records
- Music account records (historical only)

Full details of document retention periods are listed in Appendix A.

## **12. PREVENTION OF FRAUD**

The school maintains a robust system of controls to safeguard themselves against fraudulent or improper use of public money and assets. Arrangements are planned to both prevent malpractice and to enable prompt detection should it occur.

The main areas of control are:

- financial management checks, reconciling accounts at the end of each month and keeping an audit trail of documents.
- separation of duties – no one member of staff should be responsible for both validating and processing a transaction, for example certifying that goods have been received and making the payment for them.
- strictly limited access to systems for authorising and making payments.
- spot checks on systems and transactions by members of the GB's F&R Committee or the school's Leadership team – this is intended to help identify new risks and measure the effectiveness of existing controls. It also indicates to staff that fraud prevention is a high priority.
- investigation and logging of every incident of irregularity, including instances of attempted fraud.
- careful pre-employment checks on staff who will have financial responsibilities; and
- making staff members' financial responsibilities clear through written job descriptions and desk instructions.

## **13. MISCELLANEOUS**

### **13.1 Travel and subsistence**

All claims for travel and subsistence consistent with employment at the school are reimbursed via the payroll. Strictly Education claim forms (available from the school office) must be completed with full details of journey, miles or public transport costs claimed, and the reason for travel. Receipts should be obtained for all subsistence and public transport claims. Where possible and applicable staff are encouraged to share transport. Claim forms must be passed for payment by the end of each month, signed by the claimant. Completed forms are certified for payment by the Headteacher and sent for processing to Hoople Ltd.

### **13.2 Staff Overtime**

All additional hours and supply cover must be approved by the Headteacher and recorded on the LA's official claim forms. Photocopies are not accepted All claim forms must be signed by the employee, checked by the ScAd, and authorised by the Headteacher. Claim forms will be processed for payment every week and forwarded to the LA for payment

### **13.3 Internal Audit Arrangements**

School finance, personnel, and statutory policies and procedures are now reviewed against the financial standard SVFS. There are currently no formal arrangements for audit by the LA. However, all schools are required to meet the control procedures of SVFS and submit evidence of compliance with the standard to the School Finance department. This evidence is reviewed by the LA and further details or clarification may be requested.

In addition to the above, a continuous audit of systems and procedures within individual school departments will be carried out. The informal audit will review information available from the following sources:

- Monthly print outs of cost centres
- Regular reports submitted to the F&R Committee

- H&S checks carried out by Headteacher and H&S governor.
- Departmental reviews conducted by the Headteacher.

Where issues over systems and procedures emerge from the above data, the F&R Committee will conduct a formal audit within the area of concern and agree an action plan to reduce identified risks.

#### **13.4 Payroll**

Procedures regarding the appointment of staff and authorisation for changes to contracts and hours are included in the school's various HR policies.

##### Payroll Reports

Monthly payroll reports are received from the LA. The ScAd is responsible for checking that only staff employed by the school appear on the report and that any staffing changes have been implemented.

#### **13.5 VAT**

The School complies with the Herefordshire Council VAT manual, held in the School Policies file.

#### **13.6 Risk Management**

The GB ensure that risk management across all aspects of the operation of the school are covered within committee terms of reference and subsequent minutes.

### **14. GOVERNING BODY ACCOUNTS**

These accounts cover all monies paid directly to the GB and include Devolved Capital funding, Hire and Letting income.

#### **14.1 Banking**

No. 1 Account is a dedicated Devolved Capital Funding ("DFC") account.

No.2 Account serves as a current account.

- The financial year for the two Governors' Accounts runs from 1<sup>st</sup> April to 31<sup>st</sup> March.
- The accounts will be inspected annually by an independent inspector during the Summer term.
- A funds balance report will be given at each meeting of the F&R Committee and each meeting of the GB.
- An annual statement of accounts will be presented to the F&R Committee.
- Management of these accounts is delegated to the F&R Committee. Actions are based on recommendations made by members of the GB.
- The GB will elect a treasurer to manage these accounts.
- Signatories to both accounts will be the Treasurer, Chair of Governors, Headteacher and one other.
- It is agreed that these accounts will not be registered for on-line access.

#### **14.2 Systems and controls**

14.2.1 All DFC (90%) funding is paid direct into the No.1 account and this account will be used solely for the purposes of Devolved Capital. The GB's 10% contribution is paid into this account from the No.2 (current) account to ensure that the DFC account remains fully funded.

If the current account has insufficient funds, the 10% contribution must be found from the school revenue account or some other source other than the DFC account.

## BRAMPTON ABBOTTS and BRIDSTOW CHURCH OF ENGLAND PRIMARY SCHOOLS

Funds made available by the Education Funding Agency (“EFA”) may be rolled forward for a maximum of three years or with permission 4 years as per EFA rules. The appropriate paperwork requested on completion of DFC funded projects will be submitted to the DBE as required.

14.2.2 All other receipts are deposited in the No.2 account. Receipts are issued by the Treasurer. For small amounts of cash there is no need to provide a receipt provided it is recorded well and proof of receipt can be given if necessary.
